VALUES

TRANSPARENCY

ADBULL is decentralized and supported by its community of enthusiasts. We encourage open communication and believe trust, transparency, and community are the 3 pillars to building longevity.

TRUST

In cryptocurrency market trust is paramount. That means full transparency not only in the community and development but also in security efforts. ADBULL has been audited by a third party dessert finance and has locked majority of the LP tokens.

LONGEVITY

ADBULL is in for the long haul. The decentralized community is fostering and adopting long term development of the ecosystem and foundation in efforts to drive real use cases, and greater rewards beyond any temporary trends.

COMMUNITY

ADBULL is one of the fastest growing and most loved communities in crypto we believe that only together we are strong. Community is everything and ADBULL strives to include everyone from around the globe. We have multiple socials channels dedicated to our communities.
